DERMAPEN™ SKIN NEEDLING

A revolutionary advanced technology taking corrective skin results to a new level. This clinical treatment uses microscopic needles to penetrate the skin, stimulating cell growth factors to correct and reverse impaired skin. Skin needling is used to visibly improve fine lines, wrinkles, scarring, pigmentation, acne, rosacea and enlarged pores.

Dermapen™ Pro <i>(Face and Neck)</i>	\$199	3 for \$499
Dermapen™ Pro Advanced <i>(Face, Neck and Chest)</i>	\$239	3 for \$599

MICRODERMABRASION

A professional diamond tipped, vacuum suction exfoliating treatment that delivers an instant renewal and radiance to all skin complexions. Whether you suffer from sun damage, acne scars, clogged pores or a dull complexion this treatment delivers results.

Microdermabrasion Express <i>(Face and Neck)</i>	\$89	3 for \$225
Microdermabrasion Advanced <i>(Face, Neck and Chest. Includes Clinical Peel and BT Micro Infusion)</i>	\$130	3 for \$325

HYDRODERMABRASION

A gentle yet highly effective clinical exfoliation treatment that instantly resurfaces and hydrates the skin. This unique treatment stimulates the skin cell activity to firm, plump and brighten the skin, whilst protecting even the most sensitive skins.

Hydrodermabrasion Express <i>(Face and Neck)</i>	\$115	3 for \$285
Hydrodermabrasion Advanced <i>(Face Neck and Chest)</i>	\$155	3 for \$385

LED LIGHT THERAPY

This non invasive light irradiates the skin's surface to deliver results across many skin conditions, especially acne, rosacea, eczema and premature ageing. It works deep in the tissue to promote cellular correction and renewal.

LED Acne <i>Cleanse, Steam, Exfoliate, Extractions, Blue Light LED</i>	\$129	3 for \$320
LED Rejuvenation <i>Cleanse, AHA Peel, Red Light LED</i>	\$129	3 for \$320

DERMALOGICA PRO POWER PEELS

Targeted peels scientifically formulated to treat the specific effects of acne, ageing or pigmentation. Cutting edge formulas and advanced treatment techniques guarantee results and a visible change to your skin.

NANO FRACTIONAL RF

The key to younger looking skin is largely reliant on removing damaged cells and promoting the growth of new younger looking skin. Nano Fractional Radio Frequency is an ablative skin resurfacing technique which creates tiny micro wounds in the skin. This controlled skin response promotes skin resurfacing and the rebuilding of youthful collagen. With minimal to moderate down time this treatment has proven highly effective on hyperpigmentation, skin scarring, sun damage, fine lines and wrinkles.

RF SKIN TIGHTENING

No pain and no downtime, the Radio Frequency skin tightening procedure is a specific skin firming and contouring treatment, reducing fine lines and skin wrinkling. Controlled thermal heating generated by RF energy promotes the formation of collagen and elastin deep in the skin's dermal layer. Enjoy an instant firm feeling!
